## EcoHeroes Quest

A dynamic one-day event designed to engage students in environmental stewardship through interactive activities that promote sustainability and empower them as agents of change in their communities. Participants will receive EcoHero recognition.

# EcoHeroes Quest Presentation Outline

An engaging journey into EcoHeroes Quest

## 1 Overview of EcoHeroes Quest

An introduction to the EcoHeroes Quest and its objectives.

## 2 Implementation Guide for Trainers

Guidelines and resources to assist trainers in executing the quest.

## 3 Introduction & Briefing

Initial briefing to set the stage for participants.

## 4 Dynamic Presentation

Engaging presentation techniques to captivate the audience.

## 5 Forming Hero Squads

Strategies for organizing participants into effective teams.

## 6 Briefing the Mission

Clear communication of the mission and objectives to participants.

## 7 Tips for Trainers

Practical advice for trainers to enhance the learning experience.

## 8 Key Takeaways for Learners

Important lessons and insights for participants to remember.

## 9 Impact Analysis

Evaluation of the quest's effectiveness and outcomes.

## 10 Assessment & Recording Understanding

Methods for assessing participant understanding and progress.

## 11 Conclusion of the Introduction & Briefing

Summarizing the key points from the initial briefing.

## 12 Final Thoughts on Engagement

Concluding insights on maintaining participant engagement.

## 13 The Role of Eco Champions

Highlighting the importance of Eco Champions in the quest.

## 14 EcoHeroes Community Engagement

Exploring ways to involve the community in EcoHeroes activities.

## 15 Future of EcoHeroes Quest

Looking ahead to the evolution and sustainability of the quest.

### Event Description

A high-energy, one-day adventure designed for students aged 8-16, focusing on environmental stewardship and community engagement.

### Goals

To empower students to make a positive impact and encourage sustainability through interactive activities.

### Recognition

All participants receive an EcoHero certificate, with one selected as the 'Eco Champion' to represent their peers.

# Overview of EcoHeroes Quest

Engaging Students in Environmental Stewardship

# Implementation Guide for Trainers

Step-by-step Instructions for EcoHeroes Quest

## Purpose of the Manual

Step-by-step instructions for delivering the EcoHeroes Quest.

## Objectives

Clear goals for engaging students and achieving impactful experiences.

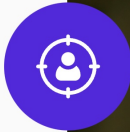

# Introduction & Briefing

Encouraging Environmental Stewardship

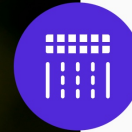

## Objective

Inspire ownership of environmental stewardship among students.

## Initial Activities

Setting the tone through interactive activities and missions.

# Dynamic Presentation

Engaging and Informative Session on Environmental Conservation

## Setting the Scene

Begin with an enthusiastic greeting to engage the audience: 'Welcome, EcoHeroes! Today, we embark on a mission to save our planet.'

## Visual Aids

Incorporate impactful images that depict pollution and various environmental initiatives to visually convey the message.

## Interactive Questions

Encourage student interaction by using images for them to mark with stickers, using green for positive impacts and red for negative ones.

## Key Points Discussion

Highlight the critical importance of recycling, reducing waste, and energy conservation as fundamental practices for environmental sustainability.

# Forming Hero Squads

Engaging students in eco-themed group activities

1

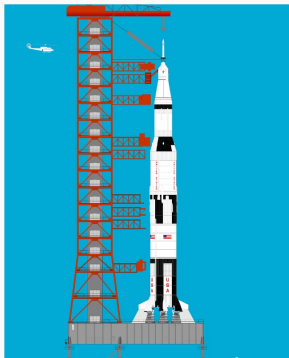

## Group Division

Create squads of 4-6 members with diverse skills and assign unique eco-themes, such as 'Water Warriors'.

2

## Squad Identity Creation

Provide materials for badges and flags made from recycled items to establish each squad's identity.

### Mission Overview

---

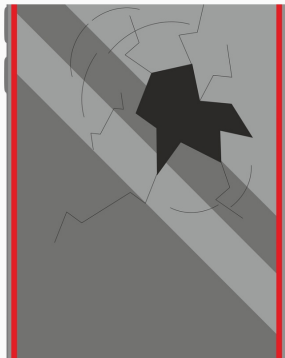

Explain the day's purpose and schedule of activities, lasting 10 minutes.

### Gamification

---

Participants can earn points for completed tasks, such as planting trees, which is worth 10 points.

### Mission Cards

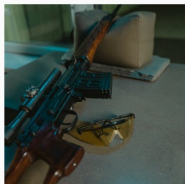

---

Detail goals for each squad, including missions focused on waste reduction and planting seeds.

# Briefing the Mission

Overview of Activities and Goals

### **Engaging Props**

Use capes and props to enhance the EcoHero experience.

### **Encouragement**

Foster dialogue about existing eco-friendly habits.

### **Inclusivity Monitoring**

Ensure active participation from all students.

# Tips for Trainers

Enhancing the EcoHero Experience
